

Six Internationals set to meet the champions

NO less than six amateur Internationals could be lining up against Wycombe Wanderers tonight (Tuesday) when the Isthmian League stage their annual prestige game—Champions v The Rest of the League.

Included in the League squad are Les Tilley (Leytonstone) and Micky Cooper (Walton and Hersham), two full backs with International experience. Hendon's Peter Deadman—scorer of the deciding goal during Wanderers 2-1 defeat at Brentford in the Amateur Cup semi-final—plays in midfield while John Butterfield, whose two goals helped England to a 2-1 win over Ireland last week, is the key striker.

Two Hendon internationals Johnny Baker and Alan Phillips (Wales) are also included in a squad of 17. This year, the league have endeavoured to spread selection over several clubs thus avoiding a similar situation to last year when their side was made up from five Sutton players and two each from St. Albans, Enfield

Preview by **STUART EARP**

and Hendon.

Woking 'keeper Dave Collyer wins his place as a result of some excellent performances this season while former Wanderer Bobby Hatt, who missed Wycombe's 1-0 win at Church Road recently will be centre back with Preston of Kingstonian.

Tony Brothers (St. Albans) and Peter Leakey (Bishop's Stortford) partner Deadman in midfield. Upfront Butterfield will have the support of

Dave Skinner (Leatherhead) and Keith Jamieson formerly of Slough and now Hayes.

Baker is named as substitute and the reserves are D. Francis (Tooting and Mitcham), Phillips and three Hayes players yet to be named. The final selection will depend on several matters.

The Hendon players may have to drop out as a result of a league game at Walthamstow on Thursday. The reason for the four Hayes representatives

is because their scheduled match against Leatherhead has been postponed. There is still a near full league programme being staged tonight.

One definite absentee from the Wanderers line up will be Gerry Olson, who is unavailable due to business. Manager Brian Lee is expected to give all of his 16 strong squad a run out, including Dave Bullcock, now recovered from injury. Rob Williams is likely to replace Olson in the back four.

No doubt Rob will remember last year's game against 'The Rest' when he sent two goals past his brother Andy. However those two goals were not enough to win, the Blues going down 3-2. Scorers for the League were Chris Kelly, Geoff Anthony and John Butterfield.

A crowd of 2,000 plus attended the match last season when Wanderers presented the League with all the proceeds of the game. This, less expenses, amounted to £300 and did much to swell the coffers of the Isthmians who rely mainly on donations and subscriptions for their income.

ISTHMIAN LEAGUE TABLE

(Up to 17-10-72)

	P	W	D	L	F	A	Pts
HENDON	15	12	3	0	38	7	27
